

BRICK UNDERGROUND

Real Estate. Real Life. Real New York.

NEW DEVELOPMENT WEEK

46 new construction projects and conversions coming to a Manhattan neighborhood near you

Of course, New York City has always been a real estate developer's playground, but it seems we're truly in a building boom now, with hundreds of new apartments entering the market this year alone. Below, a selection of new construction and conversions ready (or soon to be) for renters and buyers on the hunt:

- **The NOMA**

Fifty-five one- to three-bedrooms in the Madison Square North Historic District (NoMad).

Address: 50 West 30th Street

Pricing: Starting at \$1.35 million

Sales launch: April 2016

Developer: Alchemy Properties
