Master En-Suite Bathroom. Rendering via Alchemy Properties

Residents will enjoy beautiful city views from every corner of this penthouse. Even the master bedroom includes an en-suite master bath, complete with Times Square views. Additional bathroom features include fixtures by Kallistic in a gunmetal finish, a dual custom walnut vanity with a white marble countertop, an over-sized walk-in shower and finally, heated mosaic marble-tile floors. The master suite also boasts three closets, one of which is a walk-in. The two other bedrooms receive great views and have their own en-suite bathrooms, comprising of crafted oak vanities and gray marble floor tiles. Penthouse2 also offers a separate powder room with a metropolitan-style vanity, oval pivot mirror, and Bosch washer/ dryer.

The NOMA's other available residences are a one-bedroom home for \$1.55M and several two-bedroom homes starting at \$2.465M. Building amenities include a full-time super, a 24/7 attended lobby with soaring ceilings, capped with reclaimed wood and a gunmetal chandelier, and an amenity floor which includes a 120-foot-wide landscaped common terrace with an outdoor grill, lounge, library and fitness center. The industrial-inspired tower also contains two floors of retail at the base.
